Yasuda Logistics Corporation released a New Corporate Video for the International Logistics Services

Yasuda Logistics Corporation has released a new corporate video introducing the international logistics services.

In our Medium-Term Management Plan, we identify “Expand networks through group collaboration” as one of our core logistics strategies.

This video provides a clear overview of our international logistics services, featuring the garments-on-hanger containers transportation services and steel transportation services in China, along with introductions to our logistics services in Vietnam, Singapore, Indonesia, and India. This video also highlights the Yasuda Logistics Group's comprehensive logistics services providing seamless end-to-end solutions covering ocean and air freight, freight forwarding, customs clearance, warehousing, and distribution services.

Japan	• Yasuda Logistics Corporation International Forwarding Center • Fuyo Air Cargo Co., Ltd.
China	• Yasuda Chuo International Logistics (Shanghai) Co., Ltd. • Yasuda Logistics (Shanghai) Corporation
Vietnam	• YASUDA LOGISTICS (VIETNAM) CO., LTD.
Indonesia	• PT. YASUDA LOGISTICS INDONESIA • PT. JAYA YASUDA INDONESIA
Singapore	• YASUDA LOGISTICS SINGAPORE PTE. LTD.
India	• YASUDA LOGISTICS INDIA PVT. LTD.

The video is available in both Japanese and English and can be viewed at the links below.
